

WHAT IS THE DISTINGUISHED GENTLEMAN'S RIDE?

The Distinguished Gentleman's Ride is an annual international charity event celebrating classic and vintage styled motorcycles and the dapper gentefolk that ride them.

The DGR unites classic and vintage style motorcycle riders all over the world to raise funds and awareness for prostate cancer research and men's mental health.

WHERE IT STARTED

The Distinguished Gentleman's Ride was founded in Sydney, Australia, by Mark Hawwa. Inspired by a photo of TV Show Mad Men's Don Draper astride a classic bike and wearing his finest suit, Mark decided a themed ride would be a great way of connecting niche motorcycle enthusiasts and communities while raising funds to support the men in our lives.

THE RIDE

On Sunday, May 19th 2024, tens of thousands of distinguished gentefolk in hundreds of cities worldwide will don their cravats, tweak their moustaches, press their tweed and sit astride their classic and vintage styled motorcycles to raise funds and awareness for men's health, specifically prostate cancer and men's mental health programs.

MEN'S HEALTH

Movember has been the official charity partner of The Distinguished Gentleman's Ride since 2016. Both organizations share a simple goal: to bring people together and change the face of men's health. Funds raised by The Distinguished Gentleman's Ride help to power Movember's work across two of the most complex issues facing men around the globe: prostate cancer and mental health.

DAPPER UP

Registered riders must take part on classic and vintage inspired motorcycles, dress in-theme, fundraise and ride on the same day all around the world in a global display of community and awareness for men's health.
